### Description

Description: We proudly present a unique building plot of 3,563 square meters, which takes your breath away with its spectacular location and incredible view of the sea and the Brijuni Islands. This rectangular plot with a gentle slope to the south-west offers an extraordinary opportunity for the construction of luxury holiday villas, where each villa will have a privileged view of the blue Adriatic Sea and the enchanting horizon of the Brijuni Islands. Considered the perfect location for those looking for exclusivity and intimacy, the land ensures privacy while providing easy access to nearby beaches and tourist attractions. It is suitable for ambitious investors or builders who want to create a unique village of villas in the middle of natural beauty. Infrastructure such as access roads, water and electricity are available, thus facilitating the construction process. All necessary documentation is in order, which makes shopping simple and carefree. This incredible opportunity combines natural beauty and high investment potential, offering a unique combination of luxury and natural beauty. Do not miss the opportunity to become the owner of this special land and build villas that will provide unforgettable vacation experiences with a view of one of the most beautiful parts of the Adriatic Sea.
