Description

Description:

We are selling a well-established guesthouse, renowned for its traditional Gorski Kotar cuisine, decently equipped - an ideal opportunity for a family business with potential for expansion and growth into a family hotel! This excellent business opportunity is located in the tourist heart of Gorski Kotar, very close to Fužine and a range of attractive recreational facilities, including two lakes, an Indian village, an adventure park, a toboggan run, caves, as well as cycling and hiking trails. In the basement of the building, there are large storage rooms, and the stone used to build the house is in excellent condition, allowing for one to be converted into a tavern. In a smaller room, there are two central heating stoves, and radiators are installed in all rooms. The ground floor consists of a reception area, a small lounge furnished with love and skill (old piano, reading books, decorations), a large dining room and equipped kitchen, and two rooms (one with a bathroom, the other with just a toilet). On the first floor, there are 4 rooms, each with its own bathroom, and two additional bathrooms. The high attic is in rough construction, also with 4 rooms with bathrooms. The roof and gutters are new, as are the windows, and refreshing the walls is needed, while the installations are newer. The intermediate construction consists partly of concrete slabs and partly of beams. The property includes 1,000m² of land, a large parking lot for 15-20 cars, and two neglected outbuildings marked on the plans. The surroundings are decent and populated. It is possible to retain part of the staff to continue operations!
