Description

Description:	<p>We are selling an attractive building plot in beautiful Vinišće, only 300m from the sea. Vinišće is a small fishing village, and it got its name from the vineyards planted around it. The land has an area of 1123m². The location is extremely desirable - the land is located in the immediate vicinity of existing houses, so the electricity and water connections are close by. Also, it has its own access road, which facilitates all necessary construction works. The land area allows creative freedom in the construction of your building, whether it is a family home or an investment project, providing excellent value for the invested capital. Do not miss the opportunity to create your own paradise just a step away from the sea.
