can be used as a study, which is great for anyone who works from home or needs additional space for study. - Kitchens - Two bathrooms, which is practical for larger families or guests. - Dining rooms, where you can enjoy meals together. - Three bedrooms, which provides enough space for sleeping and resting. The apartment is extremely sunny and illuminated by natural light, with a large balcony and terrace, where you can enjoy the outdoors. The layout of the rooms is functional and properly arranged, which facilitates everyday life and the use of space. A great comparative advantage of this apartment is the possibility of dividing it into two residential units without any additional costs, which can be useful for different needs or future adaptations. This building will be built according to the highest standards of the construction profession. Inside the apartment, expect high-quality ceramic tiles and parquet, which will create a modern and polished atmosphere. The outdoor staircase will be lined with elegant stone slabs, adding elegance and lasting beauty. The apartment comes with a garage of 16.92 m² with one parking space, which provides a safe space for parking vehicles, and an additional outdoor parking space of 12.5 m², which provides additional options for parking or for guests.
