Description

Description:	Your investment opportunity combines a well-established rental business with potential for additional construction and adaptation, with outstanding sea views and attractiveness to the market. This could be an extremely profitable business venture, especially for those looking for investments in the tourism sector. The stated price refers to: 1. Apartment house (8app) with pool and sea view: The house is located near the sea and offers a wonderful view of the Kvarner islands. It consists of eight fully equipped apartments, each with its own bathroom and kitchen. The apartments are intended for tourist rental, and are already well established in business. The pool additionally increases the attractiveness of the property for guests. The excellent location enables a quick return on investment due to the tourist potential. 2. House in Roh Bau construction phase: This property also has open sea views and added value to the market. Given the construction phase, customers have the opportunity to customize and finish the interior according to their own preferences and needs. Buyers can finish the house

according to their own standards and goals, which can further increase the value of the property. 3. Building plot for a new house with a swimming pool: In addition to already built properties, the offer includes construction land and part of agricultural land, which provides additional flexibility for potential investors. It is possible to build another house with a pool on this land, thus expanding the portfolio for rent or sale. Undoubtedly, the location with guaranteed privacy and peaceful surroundings adds to the attractiveness of the entire investment opportunity. For any additional information and viewing of the property, please contact us to offer you a personalized approach and discreet service of finding properties according to your wishes and preferences.
