### Description

**Description:**

This beautiful apartment located in the center of Pula offers an incredible combination of historical charm and modern comforts. Located in an Austro-Hungarian villa, it spans the entire second floor, providing a spacious and comfortable living space. It consists of a total of six rooms, which provides enough space for a family or several people sharing an apartment. In addition, there is a kitchen, a room, a bathroom, an entrance hall, a corridor and a balcony with a beautiful uncovered terrace. The original woodwork has been well preserved, which further adds to the charm of the space. The underfloor heating in the bathroom is particularly noteworthy, which provides additional comfort during the colder months. The ceiling height of over 3.5 meters creates an airy and imposing impression of the space. One of the most impressive features of the apartment is the view of the stage of the Little Roman Theater. This beautiful backdrop provides a unique atmosphere and added value to the space. There is a possibility to allocate an additional apartment with its own entrance and balcony, which makes this property even more flexible. The backyard with a garden oasis is large, providing space to relax outdoors and enjoy the nice weather. The wall thickness of more than 50 cm contributes to the insulation and preservation of the authenticity of this villa. The location of the apartment is exceptional, just a 2-minute walk to the Golden Gate and 5 minutes to the Arena. In addition to the apartment, there is also a garage for a car and one for a larger motorcycle, which makes life in the city center even easier. This property represents a rare opportunity to live in a space that combines historical charm with modern comforts and can be considered a real jewel in the heart of Pula. ID CODE: IS1509831
