Description

Description:	<p>In the very heart of Istria, we are selling a beautiful one-story house with a swimming pool. The house has a net area of 155m² on a plot of 928m². It consists of a hallway, a bathroom, an open space kitchen and a living room with access to a covered terrace with a barbecue and a work surface. The height of the ceiling in the living room is approximately 4.5 meters, and the ceiling is defined by wooden beams that act as decoration and form a truly impressive interior. Large windows and glass doors allow plenty of natural light and connect the interior and exterior spaces. The house has three bedrooms, a storage room, or a technical room. We go down the stairs to the 32 m² swimming pool surrounded by ceramic tiles. A children's playground with swings and a slide is located on a spacious lawn, making the house an ideal place for families with children. The strategic positioning of the house ensures complete privacy. * NEW CONSTRUCTION *</p>
