Description

Description:	In the very south of the Istrian peninsula is a small ancient Roman town called Pula. Pula is rich in its heritage and ancient Roman infrastructures and legacies that give it a special atmosphere while enjoying this beautiful city, which has
--------------	---

gradually become one of the leading tourist destinations in Croatia in the last ten years. Right in the immediate vicinity of the center of Pula is located this beautiful spacious family apartment of 89 m² with a detached house visa of the same area of 61 m². This apartment consists of four bedrooms, two bathrooms, pantry, beautiful kitchen with dining area, living room with access to a spacious terrace connected to the garden southwest orientation where the prospective buyer can enjoy relaxing moments of the day. The apartment contains high quality PVC windows, two units of air conditioning for thermal maintenance, central heating, wood stove, intercom with video surveillance, electric front door for pedestrians and cars, and is sold depending on the agreement with the seller with all furniture and appliances . In addition to a large and spacious garden of 532 m² and a family apartment, a separate ground floor house of 61m² with a large canopy is for sale, which consists of a kitchen with living area, toilet and two spacious storage rooms. These facilities are located close to all ancillary facilities for life such as shops, post office, kindergarten, school, park, sea, near the city center, and yet in a quiet environment without much traffic. Due to its location and area, the house and apartment represent great potential for future buyers, and offer the possibility of continuing and upgrading them, and using them for various purposes, whether in terms of family life or in terms of renting, and quick return on investment.
