# Description

Description:

Barban is a small historical place located on the plateau that separates Labinština from Puljaština. The ancient Romans lived on the prehistoric hillfort. Throughout history, Barban was also known for its strategic position, dominating the hill and dominating the valley and the bridge on the Raša River. With the passage of time, the place became a fortress with walls, round and square towers, ramparts, large and small city gates and a castle. We received a newly built villa with a swimming pool in Hrboki. On the ground floor there is a kitchen with a dining room and a large living room, a bathroom, a tavern for socializing and a terrace with a pergola. On the first floor there are two bedrooms with two bathrooms. There is a 32 m<sup>2</sup> swimming pool with an outdoor shower in the garden. Separated underfloor heating, three air conditioners. The house is located on a hill with a wonderful view. Very tastefully decorated, For all those who love TERRA MAGICA. For more information, call MIRJANA VLAHOVIĆ 00385-95-516-1641 ID CODE: IS1509741
