Description

Description:	<p>Building land located in magical Vodnjan, with an incredible 3000 m² of surface. This land not only offers enough space, but also comes with a secured access road. All the necessary infrastructure is already at hand, thus facilitating your journey towards creating your ideal home. The location radiates a special charm, offering you a combination of practicality and peace. Due to its attractive location and proximity to all facilities for life, this land invites you to build a family house or a vacation home. In the past, Vodnjan-Dignano was an important urban center, and today this town is an interesting destination, especially for lovers of art and culture. Walking through the old part of the city, you will notice numerous buildings belonging to different historical periods: Gothic, Renaissance and Baroque. The museum is located in a palace built in 1300, which belonged to the Bettica family. The church of St. is particularly interesting. Blaža, whose bell tower is the highest in Istria (62 m). In the church there are preserved mummified bodies of saints and relics. I am at your disposal for more information and/or a tour.
