Description

Description:	<p>On the land of 1,210 m2, there is a detached old stone house with an area of approx. 50 m2 that requires complete adaptation, however, considering that there is the possibility of building 3 floors of 500 m2 of mixed use on this land, here is an excellent opportunity for investment in terms of building a building with more residential units, i.e. tourist accommodation or dream house! The property has electricity and water, as well as a neat 80 meter long access road leading from the main road directly to the house. A wonderful location, an oasis surrounded by greenery offers absolute privacy in the fresh air, and the sea is only 1 km away. It is only 5 km from the center of Umag, while on the other side Slovenia is 7 km away, which shows us that it is an excellent connection and an easily accessible location. A real opportunity for investment or personal pleasure!
