Description

Description:	<p>10,000 m² of agricultural land for sale, located next to the urbanized zone of Kanfanar Municipality. This land has potential for the development of agricultural production or OPG, and it can be ideal for the creation of an agricultural farm that will offer visitors the experience of getting to know agricultural activities, tasting local products or organizing workshops. Considering that the land is near the urbanized zone, all necessary infrastructure (water, electricity and telephone) is located next to the land itself. Kanfanar is a developing municipality and one of the most reliable on the Istrian peninsula, the proximity of tourist centers and the highway adds to the importance of this beautiful municipality. Don't miss the chance!!
