------------------------	-----

Description

Description:	<p>Poreč, surroundings For sale is a spacious construction plot with an area of 7375 m² within the construction area for economic purposes. It is located only 15 km away from Poreč and has freehold ownership. The plot is located on an undeveloped and unkempt part of the construction area, but there is already an industrial plant nearby. This property offers potential for the development and growth of business activities in the region, while providing a peaceful environment and space for potential investors or future owners. Considering the area, the location and the possibilities it provides, this building plot represents an excellent opportunity for those looking for space for the development and expansion of their business interests. ID CODE: IS1508966</p>
