Description

Description:	At the southernmost point of the Istrian peninsula, there is a coastal gem - the town of Medulin, one of the most famous representatives of Istrian tourism. It is the center of the popular Medulin Riviera, built on the remains of prehistoric settlements, which includes the surrounding very attractive places; Premantura, Pješčana Uvala, Pomer, Vinkuran, Vintijan, Valbonaša and Banjole. The area also boasts the Medulin archipelago with 11 uninhabited islands and islets. The entire idyllic area represents an exceptional, largely preserved ambient value. This ideal

combination of nature and history has not lost its luster for centuries. The reason for this is the mild Mediterranean climate, an imposing nature park, archaeological sites, magical views, sandy and white pebble beaches in blue-green bays, pine forests and modern fishing villages full of Istrian tradition, cultural events and a wide range of dynamic activities. A detached house of 230 m² with a swimming pool is for sale. It extends through two floors, ground floor and first floor. It consists of four bedrooms, four bathrooms, a living room and a kitchen with a dining room. Quality wooden joinery on the windows, parquet and tiles on the floors. Gas central heating is installed, and 5 air conditioning units are used for cooling. Fully furnished. Thermal facade (5 cm styrofoam). Mosaic pool 34 m² with Roman steps. Stone barbecue and seating furniture, small wooden house as storage. The plot is completely fenced with a wall and an iron portun with automatic control, parking for 3 cars. Dead end street, close to shops and all other important facilities. Great opportunity for tourism investors. We are at your disposal for more information. ID CODE: IS1508864
