Description

Description:	<p>At your disposal is a beautiful building plot located in the municipality of Kršan, with a perfect regular shape and an impressive size of 2840 square meters. This land offers an extraordinary opportunity to build your home according to your dreams. One of the main assets of this land is the wonderful view of the surrounding nature that takes your breath away. Regardless of the time of year, you will enjoy picturesque landscapes every day that will give you a feeling of peace and relaxation. Subtle waves of greenery, beautiful forest areas and a variety of natural elements create an enchanting picture that will inspire you every day. In addition to the spectacular view, this land also provides you with excellent privacy. It is located far from the hustle and bustle of the city, allowing you to enjoy the silence and tranquility of nature. Here you will have enough space to create your own quiet corner, where you can retreat and enjoy your own peace. Connections for the water supply and electricity network are brought to the border of the land, and all other facilities necessary for life are in the immediate vicinity. The photos speak for themselves. The distance to the sea in Plomin port is 5 km, and to the nearest shop is 1 km. There is also the possibility of buying a modern newly built house up to, all together. Ownership neat, 1/1. The land is suitable for the construction of an object for tourist purposes due to the extremely quiet location and the breathtaking view. The orientation of the land is South. For all inquiries</p>
