Description

Description:	Rovinj, the pearl of Croatian tourism and the most beautiful Croatian city, is a favorite among tourists and the most famous tourist center. a 2-minute walk from the sea. This apartment offers everything you need for a comfortable and luxurious life in an attractive location. It is located in a building with an elevator, which allows easy access to each floor. The apartment consists of a living room, kitchen, dining room, 3 spacious bedrooms, which provide enough space to accommodate family members or guests. Each bedroom has its own bathroom, which ensures privacy and comfort for all tenants, and 1 guest toilet. One of the details of this apartment is underfloor heating that provides pleasant warmth throughout the year. Regardless of the outside temperature, it will always be comfortable and warm inside. Going out onto the terrace, which extends over 32 m² and the entire length of the building, offers a view of the sea, which is an additional valuable detail ideal for relaxing and spending time with the view. Each floor also has a part of the basement, which is a useful place to store various things such as bicycles, sports equipment or household appliances. The basement makes it possible to organize the space and keep the apartment neat and functional. 2 parking spaces are provided within the apartment, which is extremely convenient, especially in urban areas where parking is often a challenge. As the project is still under construction, it is possible to adjust the layout according to your preferences, so you have the option of choosing sanitary ware, ceramics and other details, which allows you to personalize the space according to your own taste. Also, we recommend making 3 separate units from this floor, so you could get a rental property that definitely offers the potential for good occupancy and income during the tourist season, given that it is located in one of the most sought-after locations with a view of the sea. In the location closest to the organized and well-known Rovinj beaches, the town, hotels, and sports fields. In short, an OPPORTUNITY NOT TO BE MISSED!
