Description

Description:	ISTRIA, MEDULIN - Luxurious penthouse with sea view! New construction! At the southernmost point of the Istrian peninsula, there is a coastal gem - the town of Medulin, one of the most famous representatives of Istrian tourism. It is the center of the popular Medulin Riviera, built on the remains of prehistoric settlements, which includes the surrounding very attractive places; Premantura, Pješčana Uvala, Pomer, Vinkuran, Vintijan, Valbonaša and Banjole. The area also boasts

the Medulin archipelago with 11 uninhabited islands and islets. The entire idyllic area represents an exceptional, largely preserved ambient value. This ideal combination of nature and history has not lost its luster for centuries. The reason for this is the mild Mediterranean climate, an imposing nature park, archaeological sites, magical views, sandy and white pebble beaches in blue-green bays, pine forests and modern fishing villages full of Istrian tradition, cultural events and a wide range of dynamic activities. A duplex with a total of 6 apartments separated by 3 residential units in the building is located right on the newly built part in the area of Medulin. One of the apartments is located on the second and last floor and consists of an entrance hall that leads to an open space room where there is a kitchen with a dining room and a living room that provides communication with a spacious terrace. The rest of the apartment consists of a corridor below, a guest toilet and three bedrooms with their own bathrooms, while one of the rooms also offers access to the terrace and a view of the sea. The apartment also includes parking spaces in the garage and part of the garden. The apartment is equipped with air conditioning, electric underfloor heating, quality appliances, security doors, electric blinds and a water purifier located in the garage. It is also well-furnished with custom-made furniture and is being sold as such! An interesting part of the property is the unobstructed panoramic view of the sea and the proximity to the beach. The luxurious apartment is located near all urban/city amenities necessary for life and is an ideal opportunity for a pleasant family life, rest and relaxation or as an investment for rental for tourist purposes.
