Description

Description:	<p>In Istria, it is difficult to find isolated towns other than those around Račiške Brijeg. If this also means complete peace for you, interesting settlements on hills with breathtaking views. Of course, these are all gems waiting to be discovered. Nearby is one of them, a castle of special character, Draguč, which was once the border between Venice and Austria-Hungary. I am selling four connected plots of land, which can be reached by a forest path from the local road. If you want, you can make functional access to the car. The land is wooded on the one hand, or mostly flat clearing. It also offers a beautiful view of the surrounding hills. other plots are also for sale nearby; vineyards, pastures, forest. Unspoiled and wild nature and main peace are the attributes of this wonderful part of Istria. ID CODE: IS1508287</p>
