Description

Description: The building plot of 1440 m² is located 250 m from the sea and only a few minutes' drive from Novigrad. All necessary infrastructure is located in the immediate vicinity. The land has an access road. The proximity of all necessary facilities for life make this location ideal for building a family house or as an investment for building a house for tourist purposes. The tourist town of Novigrad-Cittanova is located on the west coast of Istria and stands out among the many Istrian towns for its unique natural beauty, rich cultural heritage and certainly the big heart of its hosts. It is also a city that boasts one of the cleanest seas in this part of the Mediterranean. The Novigrad riviera stretches from Dajla to the mouth of the Mirna river, and is adorned with an indented, low and accessible coast, rocky and pebble beaches. I am at your disposal for more information.
