Description

Description: Bregi, we are selling a building plot with a view of the sea, 1400 meters as the crow flies from the center of Opatija. The terrain is of a regular shape, partially sloping, cleaned and marked. Access is from an asphalted road and communal infrastructure is in the immediate vicinity. There is a conceptual project and a location permit for a residential building with one gross apartment surface area 263.58 m², basement+ground floor+floor, and three parking spaces. A swimming pool is not included in the project, but it can be built later. Attached to the pictures are floor plans and a view of the planned house. The location itself is good, it is near Opatija, it is quiet and there is a lot of greenery. Ideal for investment in a holiday home. Next to this plot, another one with a similar project is for sale and it is possible to buy both in a package. The documentation is in order and the transfer of ownership can be done immediately. Don't miss it!!! For additional information and viewing, feel free to contact your agent at tel. 098 967 24 64. ID CODE: Z10167
