Description

Description: A small and peaceful tourist village has developed 700 m from the central beach surrounded by pine forest, so we recommend Štinjan for a family holiday. In addition to the main local beach, you can also swim in the surrounding smaller bays. In this small place there are great beauties of the coast, bays, islands and peninsulas. During the summer, numerous festivals are organized, one of the most famous being "Truffle Days" (a top gastronomic event that takes place over several days in the whole of Istria). You can taste the delicacies of this region and Istria in the restaurant "Šurida" and the bistro "Campo". While staying in beautiful Štinjan, be sure to visit Pula and Rovinj. Agricultural land for sale in Štinjan. The land has an access road. For more information, call MIRJANA VLAHOVIĆ 00385-95-516-1641 ID CODE: IS1508097
