Description

Description: A wonderful building plot in a municipality that has long been on the world tourist

> map. MAIN FEATURES * asphalt driveway * communal connections to the field * quiet neighborhood * spacious building plot The land has a total area of 1771 m2, of which 1010 m2 is construction land, while the remaining 761 m2 is agricultural land. This plot of land represents an ideal opportunity to build a house, a villa in a peaceful and relaxing rural environment of Istria. The construction part of the land allows the construction of buildings of sufficient size for different purposes, such as houses with spacious gardens, swimming pools or smaller commercial buildings. Fruits, vegetables or other plants can be grown on the remaining 761 m2 of agricultural land, and therefore it is possible to realize agricultural production on this land. The land is located near all important facilities in the municipality of Savičenta, and it is only a few kilometers from the coast of the Adriatic Sea. This land is the perfect choice for those who are looking for a

peaceful life in the beautiful nature of Istria, but want to be close to city facilities

and the possibility of agricultural production. ID CODE: IS1508054
