Pula is the largest city of the Istrian County, located in the southwestern area of the impressive landscape of the Istrian peninsula, and is characterized by an interesting cultural and historical heritage, beautiful nature and long beaches that take your breath away. The city developed partly under and partly on seven hills: Monte Zaro, Monte Serpente, Monte Ghiro, Monte Magno, Monte Paradiso, Monte Rizzi and Monte Vidal. I am selling a two-story apartment in a new building in the city center! The apartment is located on the fourth floor and has a total living area of 127.92 m². On the first floor of the apartment there is an entrance hall, wardrobes, a living room connected to the kitchen and dining room, an entrance hall, bedrooms, bathrooms, loggia and a staircase leading to the second floor of the apartment where there are three more bedrooms, two bathrooms and a storage room. Excellent build quality. The end of construction is at the end of 2024!
