Description

Description: Central Istria is more and more in demand among investors or those who want peace, nature, and authenticity, which you will hardly find elsewhere. The house we present to you is located on the hill behind Motovun and therefore its surroundings offer a beautiful view of this famous town and the neighboring hills with vineyards. The house, which needs a complete renovation, is made of yellow stone, known for this area, and it also has a garden, which will be a great pleasure for the next owners after cleaning. It is located in a hamlet of authentic houses, in untouched nature and very close to the main road Buzet - Novigrad. It has electricity, the water is on the street. When you arrive in these parts, you

immediately feel why this part of Istria is so desirable; nature, gastronomy, beautiful views, friendly people, and history are a guarantee that you will not be bored even though I would like to. ID CODE: IS104824
