Description

Description:	<p>Explore nature and beautiful landscapes in the hinterland of Labin in a special location near the sea! The medieval town of Labin is adorned with many sights, a museum with a miniature coal mine, a church, a small theater, the city walls, numerous cultural events and the tourist season that takes place during the summer months. The first beaches with blue flags are only ten kilometers away. It is in this area that a modern Villa inspired by top design in harmony with nature will be built. The villa of 236 m² will consist on the ground floor of a bedroom with wardrobe and bathroom, separate toilet, laundries and storage, open space kitchen with dining area and living room that leads you to the covered terrace and pool beach next to which there is an indispensable summer kitchen. Then the staircase leads you to the first floor where there are three more bedrooms with bathroom and exit to the also covered terrace with panoramic views of greenery, peace and quiet and privacy! The villa will have underfloor heating and air conditioning. It gives the owner the opportunity to choose furniture according to their own taste, wishes</p>

and preferences, and the opportunity to purchase in different stages of construction. Be part of a holistic blend of blue and green and discover why many wealthy families from ancient times have chosen this area for their lives. The place is characterized by many opportunities from children's playgrounds for families with children, recreational sports facilities, gourmets will find a handful of Istrian taverns and restaurants with indigenous specialties, nature lovers will meet numerous wine trails, promenades and stunning sunshine. Find it all so close and so far away from the city crowds. ID CODE: IS104744
