Description

Description:	<p>Today, the famous tourist resort of Rabac in the middle of the 19th century is a small fishing village with only a dozen house numbers. Due to the beautiful bay and tame area, it is soon visited by the first excursionists, and today it is known as one of the most famous tourist destinations in Istria. And only 3 km from Rabac, the construction of a residential building with a total of 8 apartments has begun. The apartments range in size from 49.74 m² to 77.91 m². The apartments have two and three bedrooms and a terrace and a parking space. The apartments have a sea view, which makes this property a rarity on the market. The estimated construction deadline is 2023. FOR MORE INFO, CALL US ... ID CODE: IS104253</p>
