On the ground floor, at the entrance to the house there is a spacious hallway with access to a large open space area with a large kitchen with bar that shares a dining room and living room with exit to the terrace with an unreal view of the sea. Upstairs is accessed by an internal staircase and there are four fully furnished bedrooms with double beds, each with its own bathroom and exit to the balcony, which also offers a beautiful sea view. In the outer part of the building we find a large terrace (140 m²) lined with teak on which there is an infinity pool. The pool is 10m long and 1.45m deep, has a separate smaller and shallower part as a children's pool and in addition to the heating option has the option of additional water cooling.
