### Description

Description:	<p>In the eastern part of central Istria, on a high plateau above the valley of the river Raša and in the hinterland of the town of Labin, there is a spacious building plot with a total area of 32322 m<sup>2</sup>. Distinctive location, proximity to the sea, but also lush forests means a holistic blend of green and blue; located in a small town below the road Labin-Rijeka, and belongs to the municipality of Kršan. The land has access to the sea and its own access to the wild beach, which can be accessed only on this plot. According to the spatial plan, the land is located in a part of the construction area for tourist and catering purposes - T2. It is allowed to build apartments, hotels and accompanying facilities for service, catering and tourism activities, reception buildings, recreational, sports, entertainment and similar purposes. What is interesting to note is that in the neighboring town, the planning documentation envisages the construction of a golf course, which certainly goes in favor of the future buyer of such real estate. In the immediate vicinity of the land is the existing infrastructure (water, telephone and electricity). Also nearby are three beautiful beaches, Bobina, Brestova and Stupovi. The road distance from the town of Labin is 20 km, to Mošćenička Draga it is 10 km away. Opatija 30 km away and Rijeka about 40 km. In the immediate vicinity is the ferry port of Brestova with a</p>
