Description

Description: 20 km from Pula, there is a spacious agricultural land of 970 m². This land borders on land that is for construction purposes, has direct access from the access road that is wide enough to obtain a building permit when it would be converted into construction land. It is located in a quiet part of town without too much traffic. The infrastructure is located just a few meters from it, and with the engagement of a future buyer can become an ideal land for creating a home. The mentioned land represents a very interesting purchase for the future buyer due to its area and location, which according to the parameters of the surrounding plots offers the possibility of soon urbanization and the possibility of future construction.
