### Description

Description: LUXURY AND BEAUTIFUL MEDITERRANEAN VILLA Near of the Trogir and Split, on the slopes of Kozjak, isolated from the crowds and with a beautiful view of the Kastela Bay and Split, there is a luxurious beautiful Mediterranean villa. It is located on a fenced property of 14,200 m<sup>2</sup>, and next to the villa there is an olive grove with 350 olive and almond trees. This luxury villa is located in the heart of the historic region of Dalmatia. Known for its natural beauty, crystal clear sea and homemade food and wines. The Dalmatian coast is one of the most popular tourist destinations in Europe, and two favorite places of visitors, the city of Trogir (7 km away) and Split (25 km away), are located very close to the villa. Although only a few minutes' drive away from these two UNESCO World

Heritage Cities, as well as many other national parks and attractions, the villa has a very quiet environment, with just one more house within half a mile. This luxury villa was built in 2012. The villa is in touristic offer for high demand and provides guests with top luxury accommodation. It has the gym, outdoor pools, terrace next to each room, luxury bathrooms with jacuzzi, beautiful living rooms with beautiful and rich interior. More than enough parking, garages, central underfloor heating and much more... The olive grove with 350 trees located next to the villa, in addition to the beautiful atmosphere, a wonderful place to relax and walk, also provides an excellent business opportunity, because the olive grove is in its best years and has very high yields. The oil is of exceptional quality, and on the property, there is a room for storing, serving, and enjoying olive oil and other Dalmatian delicacies. The buildings on the property consist of the Main House, and it also includes an additional apartment, pool house, pool and pool area with outdoor dining area, summer kitchen and barbecue, garages, wine and olive oil cellar, olive grove and children's playground and several gardens. The main house is built in a cascade and spreads over 3 floors. On the first floor there is a kitchen, dining room, living room connected to the work / library part of the gallery, two bedrooms and two bathrooms. The second floor consists of a bedroom with bathroom, apartment with living room, one bedroom, bathroom and a bedroom on the mezzanine floor on the third floor.
