m2. The upstairs apartments have balconies on the south side of the house where morning coffee is enriched with idyllic panoramic views of nature. Behind the house there is a nice grassy yard that creates the feeling that you are in a completely different location outside the city, and offers a variety of opportunities to relax and enjoy. Taking into account the location and proximity of all facilities, quality and year of construction, and thus the fact that it does not require additional investment and renovation, and the number of apartments and property content, the conclusion is that this house can be ideal for family life, rent but also a combination of these two options Construction of the house began in 2001, and the last works were done in 2021. I am at your disposal for information and inquiries!
