Description

Description:	Spacious Land for sale near Novigrad. In Nova vas near Brtonigla in a beautiful quiet place is located a spacious agricultural land for sale, rectangular in shape and with a beautiful view on all sides and the amazing valley of the river Mirna. Nova vas is about 6 kilometers away from the Istrian tourist center of Novigrad, but it is an ideal destination for guests looking for a vacation away from the coast and the hustle and bustle of noisy beaches. A special feature of the Istrian interior are the beautiful landscapes suitable for sports tourism and gastronomy is another strong point. There are already 100 olives and walnuts on the land and a vineyard could be planted because this part of Istria is known for its excellent wine. On the land there is a house in the unfinished phase, which offers the possibility of use as a holiday home if you will register your business here. Great opportunity with lovers of nature and peace.
