Description

Description: On the hill above Rabac lies the medieval Labin, whose old name Albona was first mentioned in 285 AD. The hometown of Matija Vlačić, reformer and collaborator of Martin Luther, is today a cultural and administrative center. Rarely does the richness of architecture and cultural and historical monuments combine so charmingly with numerous art studios and a breath of youth. A beautiful villa is located near this beautiful town. The property is high quality and new and is located in a quiet location in a small, traditional place in Istria, in the Labin region. The villa was built on a plot of 649 m² in 2019 and 2020 and offers a living space of about 177 m², on three floors. The basement contains a studio apartment with one bedroom with private bathroom and a small kitchen. The ground floor consists of a living room, dining room and kitchen, bedroom, bathroom, toilet, pantry, and two beautiful terraces. Upstairs we find three more bedrooms, bathroom, and another terrace. The studio apartment in the basement has a separate entrance. Especially from the spacious terraces you can enjoy the beautiful view of the sea and the green Mediterranean landscape. The villa is part of a complex with several Mediterranean villas. As part of this facility, a playground for children and a shared outdoor gym are planned for shared use by residents. The villa is surrounded by a beautiful green garden of 694 m², and contains a swimming pool that future potential buyers can enjoy every day. The property also has its own

parking spaces. The location of the property is ideal. Rabac can be reached in about 20 minutes, and Pula in about 60 minutes. Distance from the sea (linear distance) is about 1500 meters, on foot about 1800 meters to the beach and about 4 km by car to the beach. ID CODE: IS842
