Description

Description: We are selling a spacious building plot near Labin. Only 5 minutes' drive from the center is this flat, beautiful and rectangular building plot with access from an asphalt road. The land itself is located on the edge of the construction area, so

there is no need to worry about too many neighbors. If you thought that was a good part then this will blow your mind. There is already a project for a family house on the field itself, so here you have saved time and money and worrying about how and what to do. The land itself offers the possibility of a nice rest, peace and escape from everything because its square footage allows imagination to run wild. Don't wait and don't hesitate, contact us for an inspection and other information. ID CODE: 2010-70
