Description

Description: Building land near Pula. A plot of land for construction purposes is for sale, which is located in a quiet village near Pula. The land is flat and rectangular in shape, and all the necessary infrastructure has been brought to the field itself. Along with the

land, you also get a share in the access road of about 200 square meters per plot, which the owner provided with all the necessary items, such as a turnpike, so that there are no problems in the future. The plot is located in a stretch of three plots of the same purpose, and it is possible to buy all three plots, of course, so if you don't want to build a house just for yourself, but also for your descendants, then this is an ideal opportunity for you. A great opportunity for a great investment, so contact us to show you what can be yours live. ID CODE: 2010-75
