Description

Description: Klana - Large Plot with Great Potential For sale: Agricultural land covering 9,587 m², located near Klana, alongside a road leading to the forest. The plot is mostly flat, predominantly covered by meadows with a section of forest on the edges. It is

ideal for cultivating hazelnuts, walnuts, or other crops suited to the local climate. The land benefits from water and electricity running through it. There is also a stream along the border of the property. The plot's greatest advantages are excellent accessibility and favorable terrain configuration. An excellent investment for developing an agricultural business! ID CODE: 2009-59
