Description

Description:

PAG ISLAND, PAG - Hotel with restaurant near the sea A guesthouse with a sea view is for sale in the town of Pag on the island of Pag. The building with a total area of 750 m2 was built on a plot of 617 m2. On the ground floor there is a reception, sanitary facilities, a kitchen equipped with HACCP tools, and a dining room with 30 indoor and 40 outdoor seats. There are two refrigerators and a pantry in the kitchen. On the ground floor there is also a restaurant with 60 seats (20 inside and 40 outside), which functions as a separate entity. On the first, second and third floors with separate side entrances there are 24 air-conditioned rooms with attached bathrooms and loggias. There is a private parking lot in the yard. Hot water is provided by solar, and the central boiler has 2000 L. The building was completely renovated in 2018, when the installations, floor coverings and carpentry, and furniture were changed. The pension belongs to a legal entity and is sold as such. This facility with an already well-established tourism business represents a top investment in tourism with an expected return on investment in 10-12 years. It is located in an extremely attractive position, 100 m from the beach and 1 km from the city center. There are numerous restaurants and shops nearby. The island of Pag is the fifth largest island in the Adriatic Sea by area, but with a coastline of 302.47 km, it is the most indented island in the Adriatic. The island is known for its sparse vegetation coverage in some of its parts, which is often compared to the surface of the moon.
