Description

Description: SELCE - building plot with project and permit Selce is located in a picturesque bay on the northeastern edge of the Kvarner Gulf, 40 km south of Rijeka, on one of the most naturally diverse and picturesque parts of the Adriatic coast and the entire Mediterranean. This coastal town with a centuries-old tourist tradition was once a settlement of fishermen and masons, and today it is an interesting tourist destination, enchanting with its natural beauty, clean air and sea. We are selling a beautiful building plot with a project for a semi-detached house, each house has its own pool. The land is located in a quiet location 600 m from the sea and all amenities. The area of the building plot is 678 m², on which the construction of a ground floor and a first floor, a garage and two swimming pools is permitted. There is space for four cars in the garden and one in the garage. The land has a valid building permit. Dear clients, the agency commission is charged in accordance with the General Business Conditions
