Description

Description: A large and beautiful building plot near the town of Labin. Only 4 km from the center of the town of Labin is this very beautiful construction site. It is rectangular in shape and surrounded by nature, so you can enjoy every corner of it undisturbed

by neighbors and surrounding noise. You, the birds and the sound of the wind in the treetops is all you will feel. The terrain is flat and has an open view of the surrounding fields. If you're worried about what kind of house you can build on it, don't worry because the current owners have also created a project for a house with 3 bedrooms and other social rooms, so you don't need to worry about that. Of course, if you don't like that project, you can make a new one. All the infrastructure that is essential for life is located about 30 meters away. The land is in a very beautiful and peaceful place, which offers you all kinds of possibilities. Due to its proximity to the town of Labin, it can be ideal for family life, you only need 7 minutes by car to get to the center, or build a house for tourist purposes and return your investment that way. Whatever you decide, you won't go wrong. Contact us today and let's go to your new property together. ID CODE: 2010-81
