Description

Description:	<p>ISTRIA, LABIN - Agricultural land with a sea view On the southeastern coast of Istria, at the place where green hills meet the sea, where nature and heritage meet, there are two towns of similar size, but with different but mutually complementary characters - Labin and Rabac. The picturesque town of Labin rises on a hill 320 m high, only five kilometers from the white pebble beaches in Rabac. Intertwined with rich history and mining that marked this region, Labin, which was declared an independent republic for a short time, is today a fascinating city of contradictions; old and new, history and present, tourism and art. Just 10 minutes' drive from Labin, this spacious agricultural land with a sea view of 19,282 m² is located. The land is partly located next to the paved road on the edge of the village. The neighboring parcel is in the construction zone, which gives this land the possibility of urbanization in the future and a definite return on investment. Dear clients, the agency commission is charged in accordance with the General Business Conditions: www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 35165</p>
