Description

Description:

Building land with an area of 1390 m² located in Sveti Lovreč offers an exceptional investment opportunity. This plot is situated in an attractive area, known for its peaceful atmosphere and proximity to important urban amenities. Its location in Sveti Lovreč, a small yet well-connected place, makes it ideal for the construction of a family home or a weekend house. The closeness of urban centers allows for easy access to all necessary facilities while simultaneously providing a tranquil environment for living. On the land, electricity and water are available, which facilitates the process of obtaining a building permit and reduces additional investments. We invite you to explore this unique opportunity. The land in Sveti Lovreč offers exceptional potential for development and the chance to create your own space in one of the most desirable parts of the region. Viewing the property is possible with the signing of the brokerage contract, which is the basis for further actions related to the purchase and sale, all in accordance with the Act on Brokerage in Real Estate Transactions. The agency commission is determined by the brokerage contract, and is payable after the conclusion of the sales contract.
