Description

Description:	<p>An apartment for sale in a beautiful, completely renovated Austro-Hungarian villa from 1906 with a total of only 3 apartments. The facade is new, from 2024, while the roof was completely renovated in 2019. The location is excellent, in a cul-de-sac, quiet and without traffic, yet only 150 m from the pebble beach, the sea and the Lungo Mare promenade. Another plus of this property is certainly the public parking garage, which is located approx. 100 m from the building and the apartment itself - the price of a monthly ticket for residents of this building is only EUR 26.54. As for the apartment itself, it is located on the 2nd floor of the villa (in a high attic - the apartment has a normal standing height everywhere) with a total area of 59.08 m², and consists of: 1 bedroom, living room, kitchen with dining room, bathroom, corridor and terrace. The living room has access to a spacious terrace with a beautiful view of the sea, the islands, the beach itself and the Lungo Mare promenade. It should also be noted that the sea can also be seen from the bedroom. The apartment is tidy, maintained, renovated over the years and does not require additional investments. Heating and cooling is via air conditioning, and as</p>

an additional source of heating there are also electric radiators. The apartment is fully furnished and equipped and is being sold as such. For additional storage of things in the building's garden, the owned apartment has a shed (garden house) with a window of approx. 12 m². Part of the garden/garden and another bathroom in the building's staircase belong to the apartment. The center of Opatija, as well as Volosko, is only a 10-minute walk by the sea. Due to its attractive position, this apartment represents an excellent opportunity for an investment in the form of a rental, but also for a year-round stay. ID CODE: 300421024-748
