Description

Description:	<p>Rovinj, apartments in a luxury new building near the sea and the center -Perla Bianca project In a great location in Rovinj a few steps to the center and the same distance to the sea and beaches we sell 6 apartments in a luxury new building. Construction starts in October 2024. It is a building of top design by a famous Croatian architect where only materials of exceptional quality will be installed. Here, specifically we offer apartment S1 which occupies the ground floor of this building. Apartment S1 has a total of 128m² of living space, and consists of an entrance hall, three bedrooms, of which one bedroom with private bathroom, guest toilet, large living room with kitchen and dining room. From the entire ground floor there is access to a large terrace, and further to its own fenced garden of 162m². Apartment S1 has 1 parking space and storage area of 2m². Heating and cooling will be solved by heat pumps. In the construction phase, it is possible to negotiate with investors various details related to the arrangement of the apartment, from floor coverings to colors and potential interior changes.
