Description

Description:	<p>ONLY IN OUR OFFER We offer an extraordinary building plot with an area of 576 m² located in the Malinska area, in a quiet part of the town of Oštrobradici. The plot has excellent dimensions, a width of 17 metres and a length of 29 metres, which allows different possibilities of construction and decoration. The access to the plot is from the municipal road, providing practical access. The current is already available only 30 meters from the plot, while the water supply is 50 meters away. The plot is about 2600 meters away from the sea and beach and is surrounded by family houses, which provides a peaceful and pleasant environment for life or rest. On this plot there is a possibility of building a house with two apartments or a family house with a ground floor and a floor. This provides flexibility in planning and allows you to adapt to your needs and desires. This plot represents an excellent opportunity for those looking for an ideal place to build their own home on the beautiful island of Krk, either for permanent stay or as an investment in real estate.
