Description

Description:	<p>MALI LOŠINJ- MODERN APARTMENT WITH A VIEW OF THE CITY HARBOR IN A QUIET PART OF LOŠINJ Mali Lošinj is a town in Kvarner, in western Croatia, located on the southern side of the island of Lošinj, the seventh largest island in the Adriatic. Back in June 1892, thanks to numerous researches and the experiences and testimonies of those whose health improved after staying on Lošinj, Mali and Veli Lošinj were declared climatic spas. The spa climate, the rich biodiversity of medicinal plants and essential oils, the unique combination of natural sea aerosols in combination with clean air and the sea, are the basis of the tradition of health tourism on Lošinj, for more than 125 years. Mali Lošinj has more than 200 sunny days a year, 280 km of hiking and cycling trails, first-class air and high sea quality. Newly built two-bedroom apartment for sale, with a spacious living room, very bright and sunny due to its location. Modern functional kitchen with all appliances for everyday use and cooking. In the rest of the apartment, there are two comfortable bedrooms and a renovated bathroom. The apartment offers a beautiful view of Mali Lošinj. The property is located in an interesting and quiet location, just a few minutes' walk from the main promenade in the center, which makes it ideal for living and tourism.
