### Description

Description:	<p>ISTRIA, ŽMINJ - The last building plot in the construction zone If all roads in Europe lead to Rome, then all roads in Istria lead to Žminj - the heart of Istria County. Since ancient times, Žminj has been an important traffic hub that connected the entire Istrian peninsula. The place is ideal for enjoying nature, hiking or cycling, and on the way through Žminj and its surroundings, you will come across many stone houses-kažuns, each of which has its own story. Centuries-old Istrian stone houses have been converted into agritourisms, so you can also taste local Istrian cuisine, and on the last Saturday in August, the traditional Bartulja feast is held, the biggest folk feast that Istrians and their guests never miss. A few minutes' drive from that charming town, there is this beautiful building plot of 854 m2. The land is located last in the construction zone, on the edge of a small, quiet village where family houses predominate. It has a regular shape and is located next to an asphalted road, and electricity and water are located next to the plot. Obtaining a location permit for a one-story house with a swimming pool is in progress. Considering the proximity of Žminj, this plot is ideal for building your future home! Dear clients, the agency commission is charged in accordance with the General Business Conditions: <a href="http://www.dux-nekretnine.hr/opci-uvjeti-poslovanja">www.dux-nekretnine.hr/opci-uvjeti-poslovanja</a> ID CODE: 35250</p>
