Description

Description:	<p>We are selling two beautiful houses in the beautiful village of Nikšić, not far from Slunj. The houses are located on a plot of 1234 m2, of which one house is 66 m2 and the other 53 m2. The houses are single storey and each one consists of a hallway, kitchen, bedroom and bathroom with toilet. Furnished and ready to move in. Beautiful location and a wonderful view of the meadows and the place itself. The local swimming pool of the Korana river is not far away, where the locals enjoy the summer period. A wonderful place to live with the family or as a vacation home. Driving south from Zagreb towards Karlovac, past the concrete cities and the hustle and bustle of highways, you soon enter a landscape of peaceful undulating hills, lush hamlets and villages along the road. The winding road slows you down and prepares you for the soothing and enchanting beauty of river canyons and waterfalls, where life still follows tradition and seasons. Many visitors to Slunj make the mistake of only stopping briefly in Rastoki on their way to the Plitvice Lakes National Park and miss the opportunity for a truly peaceful vacation in extraordinary nature. While Plitvice offers a unique natural spectacle that you should not miss, Slunj is a place where you can venture off the beaten track on beautiful nature walks, swim, fish, ride a bike, enjoy water sports, taste local cuisine, participate in cultural events and workshops, or simply spend quiet</p>
