Description

Description:	<p>This semi-detached house is located just a few kilometers from the center of Poreč, but still offers the opportunity to enjoy the natural environment and a quiet neighborhood. The house consists of a living room, kitchen, dining room and bathroom on the ground floor, with large glass walls and access to a large terrace with a swimming pool on the ground floor. Upstairs there are three bedrooms, two with the use of one bathroom and the master bedroom with its own bathroom. From two of the three bedrooms there is a view from the terrace partial sea view. The house is equipped with storey central heating with heat pumps and air conditioners, so that heating and cooling are provided with top quality devices with environmentally acceptable power consumption. In the living room there is a preparation for the installation of a wood-burning fireplace. On the outside of the house there is an entrance to a technical room where boilers and other heating and cooling equipment are located, and at the same time the same room is equipped with connections for a washing machine and dryer, so it can be used and as a study room. The contractors are our old business associates, with whom we have realized a large number of realized projects to the satisfaction of both us and new customers and property owners. The house also has three parking spaces. ID</p>
