### Description

Description:	In the very center of the city, we are selling an apartment in an Austro-Hungarian beauty that extends over the entire second floor. The apartment is 161 m2 and consists of 6 spacious rooms, kitchen, living room, bathroom, hallway, corridor and 3 balconies. The ceiling height is over 3.5 meters. The carpentry and floors are original and in very good condition. In the little house, there is linoleum on the floor, under which is the original terrazzo. The wonderful thing about this apartment is that it has a view of the stage of the Little Roman Theater. The villa is located on 1300m2 of green oasis. The apartment has two garages, one is large for a car and the other is perfect for a larger motorcycle. The facade of the villa requires investments that can be realized through co-financing by the city. ID CODE: 300041106-81
