Description

Description:	<p>For sale is a beautiful villa in an attractive location, which is part of the project of already awarded investors for the award of the most luxurious vacation villa. Located in the western part of Istria, it offers a harmony of luxury for rest and enjoyment. With its unique modern design with stone parts and wooden elements, it represents a combination of style and functionality that fits perfectly into the natural environment. Large glass walls provide natural light to every corner of the room. The villa offers 306 m² of living space, 152 m² of space belonging to different terraces and a heated infinity pool of 58 m². A modern concept are openings in the roof that extend the entire length above the stairs and create a special play of light in the interior of the villa. Next to the infinity pool, separated only by transparent glass, there is a fire pit, another valuable addition that completes the ambience of the villa. For a complete experience, future owners will have the opportunity to relax in an elegant sauna and enjoy the outdoor jacuzzi experience. Characteristics of the villa: Four bedrooms with en-suite bathrooms and sea views Of these, two bathrooms with open balconies and bathtubs (protected from the view from 4 sides) Large living room with open space to</p>
